YCDSB SUMMER DUAL CREDIT PROGRAM

EXPLORE THE POSSIBILITIES

Take advantage of a postsecondary opportunity at one of the most innovative Colleges in the GTA

YCDSB SUMMER DUAL CREDIT PROGRAM

SENECA @YORK

Working in partnership with Seneca College, the YCDSB Secondary Summer School program is able to provide postsecondary options for students. Dual Credits can help students transition from high school into a postsecondary environment, allowing them to customize their learning experience. Dual Credits benefit all students, regardless of your pathway: college, university, apprenticeship or the workplace.

STUDENTS CAN:

- Earn a college credit and a high school credit while studying at a local college
- Gain experience to transition to postsecondary education
- Get a head start on learning and training for future careers

EXCELLENT FOR:

- Students who are credit deficient
- Students entering Grade 11 and Grade 12 who are considering attending college and would like to explore a college campus and course
- Students who need a final course to graduate
- For students in SHSM in sectors related to the course offerings

STUDENTS RECEIVE:

- Transportation provided: fully loaded Presto Cards for the length of the course
- Textbooks and other resource materials
- Access to college facilities including the library
- Access to any supports they might need through student services

COURSE OPTIONS:

Introduction to Business

Administration (14 seats available*)

This course is designed to provide students with an introduction to the Canadian business environment, business issues and functions, and the major forces at work in the global economy. It provides students with a perspective of business firms as integrated organizations composed of a number of specialized functions.

Group Dynamics (14 seats available*)

More than ever before organizations recognize the value of individuals who possess the skills to work effectively with others in cooperative, team-based environments. This subject will assist you in developing and enhancing your abilities to interact effectively in group situations without sacrificing your creative

****Selection Process** - YCDSB students will be given priority for these courses.*

FOR SHSM:

These course offerings support bundle requirements for the following SHSM programs:

SHSM Business

Introduction to Business Administration
Group Dynamics

SHSM Health and Wellness

Group Dynamics
